Years of Excellence

## Why Choose Dandora Girls?

### Academic Excellence

Comprehensive curriculum with experienced teachers dedicated to student success and strong KCSE performance.

### Girl-Focused Education

Safe, supportive environment specifically designed to help young women thrive and reach their full potential.

### Character Development

### Science & Technology

Focus on leadership, confidence, and life skills alongside academic achievement.

Modern laboratories and ICT facilities supporting STEM education for girls.

## Co-Curricular Activities

Sports, clubs, drama, and music programs that develop well-rounded students.

## Empowerment Programs

Mentorship, guidance and counseling to build confident, capable young women.

# Our Programs

## Form 1-4 Education

Complete secondary education following the Kenyan national curriculum with focus on KCSE excellence and university preparation.

## Sciences & Mathematics

Strong emphasis on sciences and mathematics with modern laboratories, qualified teachers, and hands-on learning.

## Languages & Arts

## Leadership & Life Skills

Comprehensive programs in English, Kiswahili, humanities, and creative arts.

Mentorship programs, guidance and counseling, and leadership training to prepare girls for life beyond school.

## Our Mission

To provide quality education that empowers young women with knowledge, skills, and confidence to become responsible citizens and leaders in society. We believe that educating a girl is educating a nation, and we are committed to nurturing the full potential of every student.
